

SimEthics – Ethics Resources on Internet

An SCSI Activity Chaired by Dr. Tuncer Ören is tasked to develop a code of ethics for simulationists.

This site is maintained to have a systematic access to the Web literature on ethics while developing this code (SimCode).

The sites marked with an * have large numbers of useful links.

Major categories:

- Application areas
- Codes of Ethics and Conduct
- Issues in Ethics
- Resources

Application areas

Buddist Ethics

- * Journal of Buddhist Ethics
